A unique audiovisual habitat

For its local professionals

In San Sebastian-Gipuzkoa, you will be able to rely on the whole value chain of the audiovisual sector: devising, production, post-production and distribution. Our audiovisual industry boasts **high quality professionals** who have won diverse national and international awards.

More than 30 Goya Awards

Several Oscar nominations

For its tax incentives

In San Sebastian-Gipuzkoa, support for the audiovisual sector is not just lip service, but is accompanied by significant tax incentives. Foreign productions shooting in the region will benefit from a **35%** deduction in expenses in the Basque Country. The exemption of municipal taxes can be added to these incentives.

35% deduction due to investment

For its locations

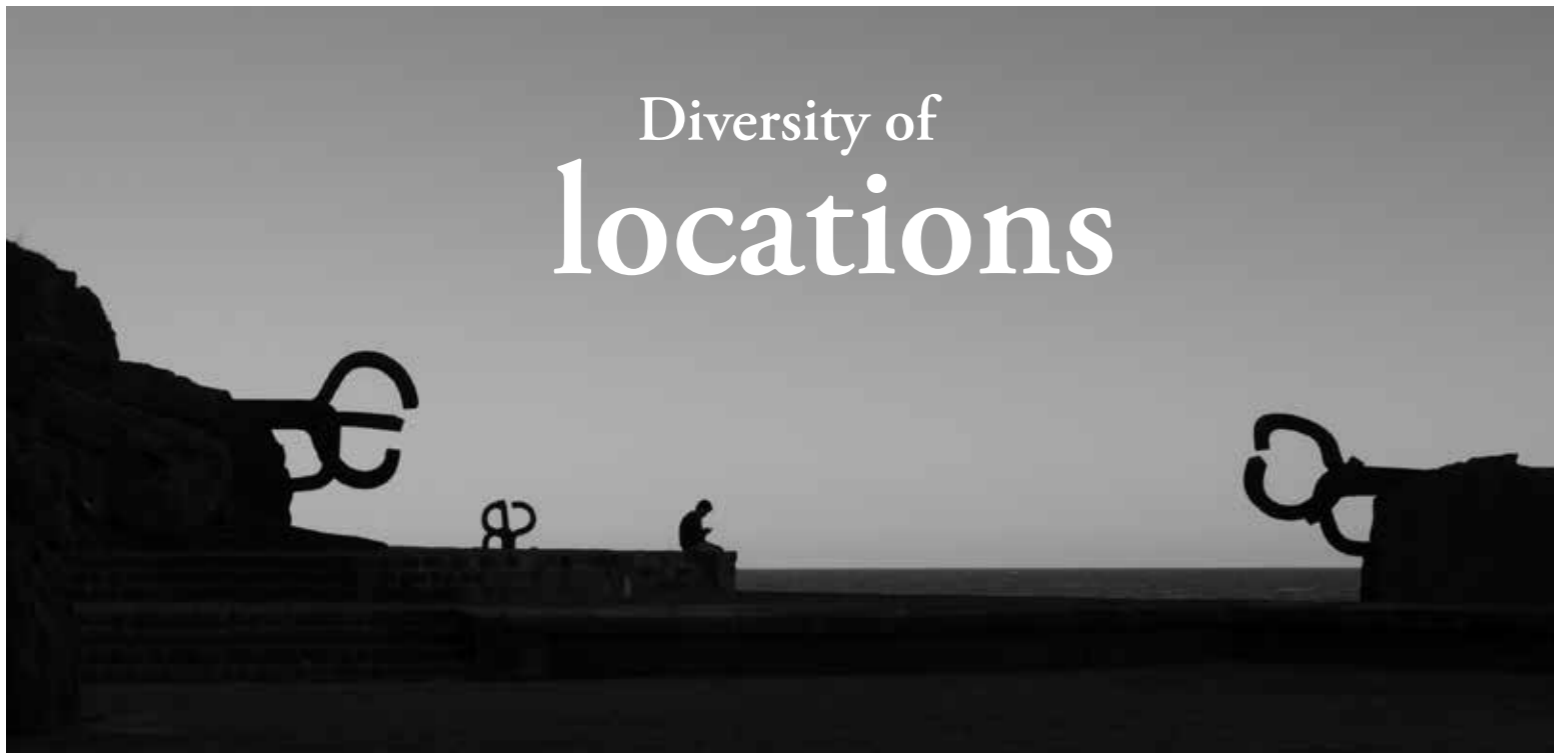

Although it is a small region, San Sebastian-Gipuzkoa offers **diverse locations** so that different scenarios can be filmed without the need to travel long distances. Coastal and mountain landscapes, cities, rural environments... everything you need to film can be found in San Sebastian-Gipuzkoa.

For its quality of life

A high percentage of young people with university degrees, a high average per capita income and a **low unemployment rate** are tangible indicators of the quality of life in our region. Let's not overlook its other intangible values, such as **culture, gastronomy** and **sport**, which are deeply rooted in our society.

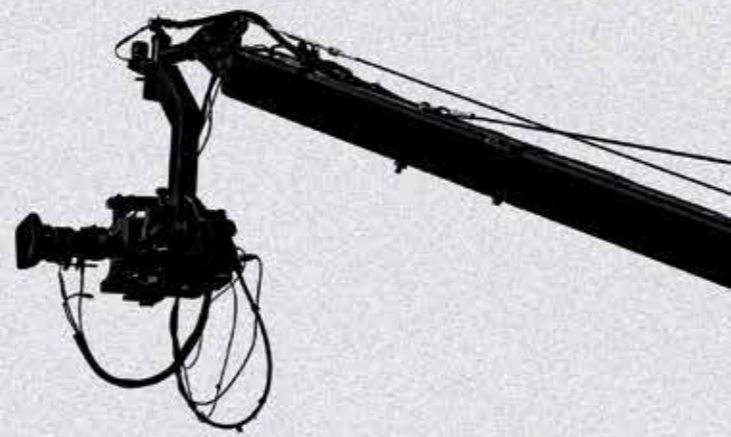

Diversity of locations

Experience

El internado (Globomedia)

Rifkin's Festival (Woody Allen)
